"America needs no words from me to see how your decision in Roe v. Wade has deformed a great nation. The so-called right to abortion has pitted mothers against their children and women against men. It has shown violence and discord at the heart of the most intimate human relationships. It has aggravated the derogation of the father's role in an increasingly fatherless society. It has portrayed the greatest of gifts ~ a child ~ as a competitor, an intrusion, and an inconvenience. It has nominally accorded mothers unfettered dominion over the independent lives of their physically dependent sons and daughters. And in granting this unconscionable power, it has exposed many women to unjust and selfish demands from their husbands or other sexual partners. Human rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity. The right to life does not depend, and must not be declared to be contingent, on the pleasure of anyone else, not even a parent or a sovereign."

~ **Blessed Mother Teresa of Calcutta**

**COMPENDIUM OF THE CATECHISM OF THE CATHOLIC CHURCH**

PART FOUR: CHRISTIAN PRAYER  
CHAPTER TWO: THE TRADITION OF PRAYER

569. *How can vocal prayer be described?*

Vocal prayer associates the body with the interior prayer of the heart. Even the most interior prayer, however, cannot dispense with vocal prayer. In any case it must always spring from a personal faith. With the *Our Father* Jesus has taught us a perfect form of vocal prayer.
